Learn & Earn

Leaders, Here's a Great Way to Earn Badges and More

Gateway Arch National Park is proud to offer Girl Scouts of all levels a variety of **FREE PROGRAMS** to help them earn their badges. All of our interesting and educational programs are led by National Park Service rangers year-round and give scouts a chance to see the rich history of St. Louis differently.

Fun & Games

Learn about the lives and pastimes of nineteenth century boys and girls. Scouts will create and take home a pioneer toy. *Takes place at the Museum at the Gateway Arch.*

Plains Indians

Explore the culture of the Plains Indians. Learn about their dependence on the buffalo, what they ate, what they wore, and how they had fun. Includes a create and take home activity. *Takes place at the Museum at the Gateway Arch.*

Brownies

My Family Story

Girls will discover how stories of long ago, gathered from oral histories, photographs, letters and diaries, can help us learn about where we came from and who we are while exploring the Museum at the Gateway Arch.

Celebrating Community

In this program, girls will explore the Museum at the Gateway Arch and its history galleries to discover how communities celebrate and honor special people and events in the past and today.

Juniors

Playing the Past

In the nineteenth century opportunities for women were often limited, but regardless of the challenges, women made significant contributions to our history as a people. *Scouts will explore the topic at the Museum at the Gateway Arch.*

Inside Government

The Old Courthouse serves as the backdrop for this program where girls will learn about local government, past and present, and how they can be active citizens today.

Reservations for Daisy Scouts, Brownies, and Juniors are taken year round. Approximately 50 minutes in length, each program highlights a different, age-appropriate theme. A one-month advance reservation is required. Minimum of six scouts required (max 30). Groups with less than the minimum may be placed with another group, if available.

All scouting information can be found at www.nps.gov/jeff in the *Learn About the Park* section.

The Resource Stewardship Scout Ranger Program

Scouts of all ages can participate in educational and/or volunteer service projects at national park sites where they can explore the parks and learn more about protecting our natural and cultural resources. Scouts receive participation certificates and/or patches. Contact Gateway Arch National Park staff for more information at (314) 655-1635.
